BARTLETT POLICE DEPT.

June 22, 1972 to November 11, 1972

- 14 Criminal Cases
- 8 Juvenile Criminal Cases
- 11 Motor Vehicle Cases
- 26 D. E. Tags given out
- 13 Motor Vehicle warnings
 - 3 in-state warrants served and parties arrested
 - 5 out-of-state warrants served and parties arrested
- 11 accidents covered over \$100.
- 6 accidents covered less than \$100.
- 4 other departments assisted (accidents)
- 5 assists for traffic control at fires (four fatals at one fire)
- 16 gun permits given out

Approximately two hundred and eighty complaints were handled within the Town of Bartlett without Court action.

My active hours per week total approximately 60 but, as you know, I am still on 24-hour call at all times except on my days off.

There have been approximately 25 calls at my home on off duty days.

I have started new Criminal, Motor Vehicle and Gun Permit files. A log has also been established at the office in which an account of all activities is kept.

I would say that these past five months have been successful. There is still much to do as there always is in any town this size. There is certainly a need for a night man as the town is growing rapidly with many new developments and businesses.

December, 1973

Received 52 complaints within the town of Bartlett without court action the month of December.

- 4 gun permits given out
- 3 accidents over a hundred dollars damage
- 2 accidents less than a hundred dollars damage
- 2 traffic control at fire
- 6 parking tickets given out
- 3 D. E. tags
- 4 Criminal Cases

LIBRARIAN'S REPORT FOR 1972

The book circulation for the Bartlett Public Library was 8,107. One hundred seventy four new books were added to the collection. The book-mobile visited four times and left a total of 1,556 books. The library issued ten state-wide library cards to local patrons.

The librarian attended the University of New Hampshire during the summer session and took two Public Library techniques courses. One course was on reference work, the other was on reading and evaluating children's books.

The library celebrated National Library Week with a special program on the White Mountains. Mr. John Nutter of the Appalachian Mountain Club spoke and showed slides. Children's Book Week was celebrated in November with film programs and a story hour.

During the summer the library held regular Monday Night Film Programs for the children for ten weeks. An average of thirty attended these programs. The library also conducted the "Four Thousand Footer" Reading Club for the fifth year. The children who qualified by reading four books during the summer went on a hike up Mt. Willard at the end of the summer.

Each year the library gains a few more adult readers. The library strives to build up an up-to-date collection of both fiction and non-fiction that will appeal to adult readers, as well as serving the children and youth as both a school and public library.

The library now has its own phone. If you would like information or to request a book the telephone number is 374-2755. The library plans to purchase a nine drawer card catalog unit as the present twelve drawer unit is becoming crowded. The budget for 1973 is as follows:

\$2,150.00	Salary
1,300.00	Books and magazines
140.00	New Equipment (Card Catalog file)
130.00	Telephone

SUMMARY PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION

1972 — (35th Year)

The officers and directors held two meetings to re-assess the goals and projects of the Association to make them more meaningful for the 1970's. Out of these two, eight-hour sessions came agreements on five programmatic objectives. They were the need to insure a quality environment, orderly development, improved public transportation facilities, vocational training, and the need for a community college. The first objective has received the most attention since these sessions were held. In this regard the Association sponsored a workshop on air pollution in Berlin.

The Association has spoken out on the need to preserve the small family farms and, thus, it has actively supported the Open Space Bill, HB44. The Bill permits selectmen to tax land upon current use instead of its potential value. The Association spoke out in support of this Bill at a Senate hearing in Concord and contacted the state senators and representatives in the region notifying them of the Association's position on the subject.

The Association sponsored a very successful sewage conference in Waterville Valley. Billed as a "sharing of ideas" the conference dealt with some new concepts in sewage treatment such as combining wood wastes with sewage to make fertilizer.

The Association organized a hearing on regional planning in Twin Mountain and worked with the Town of Carroll in setting up what turned out to be the most successful snowmobile hearing in the State.

Finally, as an integral part of its annual meeting the Association, held a very exciting panel discussion on "Development/Environment." Gov. Frank W. Sargent of Massachusetts, a former commissioner in the Department of Natural Resources there, addressed the group following the annual dinner on a theme in keeping with the theme of the meeting, "Best Use of Our Natural Resources."

Non-environmental Association activities for the past year included: help in preparing background information for the Berlin and Whitefield Airports for the hearings in Concord before the Civil Aeronautics Board; creation of a new Association logo and a very successful fall foliage shunpike folder; continued promotion of the off season through news releases and the sponsorship of several canoe races, the most ambitious and successful of which was the New England Canoe Slalom held in Campton. Also, the Association assisted a group in Berlin develop a plan for a hotel trade learning course.

In preparation is a canoeing folder, which, if enough advertising can be sold, should be out well before spring of 1973.

Organized a meeting and prepared a statement regarding the then proposed visitor's information center on the Kancamagus Highway with the U.S. Forest Service.

Presented awards to 4-H Clubs in both Coos and Grafton Counties.

Appeared on six radio programs, attended one travel show in Harrisburg, Pennsylvania, and spoke before several groups in the Region.

Inquiries for the year totaled 5,501.

Wrote 45 news releases and 126 personal letters.

Also wrote five newsletters, "Recreation Pressures in the White Mountain National Forest," "New Year's Resolution!," "Our Open Space", one on the "Sewage Conference", and a personal newsletter by John P. Wilson.

BARTLETT SCHOOL DISTRICT

October 6, 1972

Debt Register:

We again recommend that the Treasurer maintain a debt register, as required under R.S.A. 33:12.

Payroll Manifests Not Properly Approved:

Our examination of payroll manifests supporting payroll disbursements paid by the Treasurer in 1971-72, revealed that they were not signed by the School Board. This is a violation of the provisions of R.S.A. 197:23-a which provide in part as follows:

"197:23-a. Treasurer's Duties. The Treasurer shall have custody of all moneys belonging to the District, and shall pay out the same only upon order of the school board . . ."

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in the audit report is optional, at the discretion of the School Board.

We extend our thanks to the officials of the Bartlett School District for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante

Director

Division of Municipal Accounting
State Tax Commission

CERTIFICATE OF AUDIT

In our opinion, the exhibits included herewith present fairly the financial condition of the Bartlett School District as of June 30, 1972, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Frederick E. Laplante
